## BUNK REQUEST FORM

Dear Campers and Parents,

Below, we have provided five lines for your son or daughter to list campers he or she would like to bunk with for the summer of 2009. Please discuss these choices with your son or daughter. We suggest that you encourage your child to think of all the campers in his or her age group, not just those who were in the cabin this past summer. Returning campers must list 3 names minimum and 5 maximum. **ONLY** new campers can list one name. We will use this form to help us determine bunk placements for 2009. **Maine Golf and Tennis Academy reserves the right to create camper cabins that are in the best interest of the entire camp community.** Individual specific requests may not be honored.

Please complete, sign and mail or fax back to the Maine office

**Before October 1, 2008.**
